

JOB VACANCY

VEHICLE DIAGNOSTICS TECHNICIAN

SLSHOP specialises in all things classic Mercedes-Benz. Our team is friendly and hardworking with a passion for classic cars and great customer service. Based in rural Warwickshire, we work with clients from all over the world and pride ourselves on providing outstanding service.

We have an exciting opportunity for an experienced Vehicle Diagnostic Technician to join our enthusiastic Workshops team.

DUTIES:

- Carrying out full **VEHICLE HEALTH CHECKS** on core Mercedes-Benz SL models 113/107/129.
- Undertaking **MAJOR ROUTINE SERVICING** unsupervised.
- Carrying out all types of **MECHANICAL REPAIRS** and works related to **RESTORATION PROJECTS**.
- Capable of more **COMPLEX DIAGNOSTIC/ELECTRICAL** tasks including fuel system – D Jetronic and K Jetronic on 107.
- Liaise **PROACTIVELY** with Parts Store.
- Working **COLLABORATIVELY** with a team of highly skilled technicians.
- Ensuring **CUSTOMER SERVICE DELIVERY** meets minimum requirements.
- Assisting other technicians in developing their skills and competencies by **PROVIDING TECHNICAL SUPPORT** and **COACHING**.
- Examining vehicles to **DETERMINE MALFUNCTIONS** using appropriate automotive technology and diagnostic equipment.

KEY SKILLS AND COMPETENCIES:

- Full UK driving licence.
- Ability to manage time and restoration projects without supervision.
- Taking pride in work and maintaining high quality standards.
- Excellent attention to detail.
- Broad understanding of core models 113/107/129 [Not essential – training will be given].
- Ability to assess health and safety risks.
- Taking pride in working environment and willingness to contribute to good workplace housekeeping.
- NVQ Level 3 or equivalent.

WHAT WE OFFER:

We value our employees hugely at SLSHOP and offer staff:

- Competitive salary.
- Bonus scheme.
- Healthcare plan.
- Contributory pension scheme.
- 31 days annual leave, increasing after two years' service.
- Company workwear.
- Weekly onsite bootcamp.
- Daily fresh fruit.
- Staff wellness programme.
- Cycle to work scheme.
